CUI Urban Leadership Series:

The Blackout Fallout: Ensuring Toronto's Future Energy Needs
Moderated by David McFadden, Q.C., Partner, Gowling Lafleur Henderson LLP
Friday, October 31, 2003

Toronto, October 30, 2003 – The August Blackout's impact was felt across Ontario and the North Eastern US. But what is the long-term effect for the Toronto Region? Are Blackouts what we should expect from today's energy marketplace? How will Toronto secure the reliable and well-priced energy it needs to grow and prosper in an environmentally responsible way? Come hear from experts and industry players trying to ensure how Toronto's future energy needs can and will be met.

WHAT: The Canadian Urban Institute's Urban Leadership Series intend to explain the complex urban issues facing Canadian cities.
